

**All School Newsletter Learning Ship Preschool
November 2011**

What a fun October we had at the Learning Ship Christian Preschool! From the pumpkin patch to our fall harvest party, the children are having so much fun learning everyday. As we approach the Thanksgiving season....my prayer is...to thank God for all your wonderful children. Each child here is special in his or her own way. We are blessed to provide each of them with a learning environment that they can learn about their numbers and letters, but most importantly about the love of Jesus everyday. Thank you for giving us the opportunity to love them and share the love of Jesus with them. In Christ, Jan Vander Schaaf

School Closings

Due to weather, the Learning Ship may have to close. We will post it on the WZZM 13 TV. As well as if you see that Hudsonville Public Schools is closed we will be also. Please watch the TV or look on your email for I will be sending out to everyone that we will be closed for the day. When there is a two hour delay due to inclement weather, the LSCP AM session will not meet.

Thanksgiving Dates

Thanksgiving Celebrations! Each class will learn the importance of giving thanks to God for all that we have and all that we are!

Please mark your calendars: No School on November 23, 24, & 25 for time with your families!

For the month of November we will be collecting for Hand 2 Hand ministries. A list of items will be coming soon. Look for more information in your child's mailbox.

Cold wet weather is coming!

On muddy or snowy days have your child wear boots. Put shoes or slippers in their backpacks to change into.

Soon we will have a mat in the hallway for wet boots/shoes. This will be important for keeping the classroom floor dry for sitting and playing on.

Please label everything! There is often times children may have the same boots.
