## October 2011

September has gone by so quickly. It is so great to see all the children having so much fun. We thank you for all the encouraging and supportive comments we have heard during the past few weeks. Please continue to check your email for important information including your calendars, newsletter and special notes. Thank you for being so understanding with us getting the newsletter and calendars online. We do hope this works for everyone. We will continue to send hard copies to those who don't have email.

The Learning Ship Christian Preschool has been so blessed, and we want to encourage that blessing to our children here as well. Your children are being cared for in a special way everyday by Christian staff members who try their best to express love for Jesus to them in everything they do. We thank you as parents for sharing your love to them everyday. Our children need to know that we love them unconditionally everyday and that God loves them no matter what. If we can instill this when they are young, they will never grow apart from that. So thank you for taking that time to play with them and show them they matter to you and to God. We, as a staff, at the Learning Ship will do our best to express our love for Jesus to them in each and everyday.

We hope you have a wonderful October. We love your comments. Please continue to share with us.

### Verse of the Month:

Matthew 7:7

Ask and it will be given to you;

Seek and you will find; knock and the door will be opened to you.
